

HAPPINESS VS JOY

happiness is when you receive the promise
joy is when the promise is fulfilled

happiness is at the starting line
joy is at the finish line

happiness buys a cake
joy bakes a cake

happiness says, "I'm coming"
joy says "I'm here"

happiness says, "I'm excited"
joy says, "I'm content"

happiness says, "Thank GOD for sparing me..."
joy says "Thank GOD for saving me..."

happiness says "I believe!"
joy says "I know"

in happiness there's hope
in joy there's assurance

happiness is praising GOD
joy is serving GOD

happiness has the directions
joy knows the way
